Hi everyone, my name is Kamilla and I'm an anal-holic. I've been doing anal since I started having sex, and I don't ever think I'll stop. My favorite part is telling people I do anal. A light comes on in their eyes when I do. Just thinking about having my ass stretched out makes my pert nipples tingle.

## BEACH PARTY

Not long ago, a large group of us were at a camp retreat, and for the last night, we reserved a section of the beach for a private party. We had a bonfire going, along with a few games and great food. It was our send off and the camp clearly wanted us to leave in style.

As the night wore on, the entire group, maybe about 20 of us or so, gathered around the campfire and started to tell stories. Everyone had their own style, some were ridiculous, others were spooky, a couple were even spiritual. And then came Josh's story. He had purposefully

held back until last, and most everyone seemed to know some sort of dirty story was coming from the reputation he'd earned all week.

Sure enough, he started to tell the story of two maidens, in love with the same man. To everyone's surprise, two of the girls stood up and moved around behind Josh, with the light from the fire cast over them almost like a stage. Charlotte was a tall brunette, with deep olive tones and a smoldering gaze. Brenda was a little shorter, with red hair that glowed in the campfire.

No one was quite sure what they were doing, but Josh continued with his story, talking of the time these two maidens met face to face. Behind him, the girls mimed the show, starting daggers at one another, and acting out the dialog dramatically. Josh rose between them, suddenly taking the role of the man they were fighting over and commanded them to show him what he could expect of them, what they could do for him, and how they could make him feel, but he wanted to see it on each other.

There was a collective gasp, but no hesitation from Charlotte and Brenda. Still staring utter contempt for one another, they ripped off each other's light shirt, exposing their bouncing breasts to the night. Charlotte made the next move, leaning in and roughly lifting Brenda's chin to aggressively make out with her. Brenda quickly wrapped her hands around her competition's head and returned the kisses in kind.

While they weren't gentle with one another, they were passionate, and whether they were playacting or not, they convinced us all how into it they were. At some point, Josh had brought over a picnic table, and Brenda pushed Charlotte onto it.

Brenda then pulled off the brunette's bottoms and dove face first into her pussy. Charlotte threw her head back and let a cry out into the night. She found a handful of Brenda's hair and tugged, which only got the redhead to go faster and deeper.

Charlotte squirmed and flailed, Brenda clearly driving her crazy. When she was able to pull herself up, she took hold of Brenda's nipples, twisting at them hard and swapping places with the redhead. Charlotte took a breath, her hands quickly finding the dildo that Josh had left behind for them to play with. With a taunting smile, she stroked and licked the rod, so thick that her hand barely fit around it, so long that she was gagging before it was halfway in her mouth.

She kept Brenda on the table while she played, a free hand continuing to tease and play with her pale chest. When she was ready, Charlotte slid the toy deep into Brenda's carpeted pussy, forcing the redhead to scream. She twisted and rotated, pressing in deeper and pulling out slowly. Each time, she only let Brenda catch half her breath, wickedly driving the toy in deeper with every thrust. And within a few minutes, Brenda shouted out in orgasmic

Brea Lynn &  
Codi Carmichael

*I just put down the last issue I have of Wild 18+ and I can't tell you how hot it was. I've only written to one adults magazine before, but this time the stuff I'm writing about is so much hotter. OK, let me get to it. Brea and Codi.. Man these chicks are hot, the photography is hot and the sex is super hot. With perfect bodies and*

bliss, grabbing Charlotte by the shoulders and pulling her down to make out.

When they pulled away, Charlotte was again on her back, the toy now in Brenda's hand, along with a strap that had made its way up to the stage from Josh or someone in the crowd. And as Charlotte watched with wide eyes, Brenda strapped the large dildo on and slid herself into the wet, waiting pussy. Brenda moved with amazing pace and speed, harder and deeper than Charlotte seemed able to with her hand alone.

Everything Charlotte had made her feel, Brenda returned, seemingly doubled. Charlotte had to hold tight onto the table, screaming with pleasure at each thrust. Brenda gave her no time to relax, no time to get her bearings, and it wasn't long before that same glazed look spread over Charlotte's face as she climaxed to Brenda's pounds.

Finally, after they both had taken a breath, Josh came back out with a wide grin, declaring that it was a tie, and, as a reward, both women would accompany him back to his tent while encouraging the rest of us to pair up and enjoy the rest of our night.

## NO INTERNET

My best friend, Angela, has always known exactly what's best for me, even when I don't. She was there for me since the beginning of high school, and for some reason, always had my back ever since. She's watched me go through at least a dozen girlfriends, and twice as many jobs, and she's the only one I've ever been able to call with anything.

A couple of months ago, my girlfriend and I had a falling out. We'd been together a couple of years, and we both said some things that meant that it wasn't going to work anymore. I didn't want to admit it, but I was pretty messed up about it. After listening to me mope about it for a few days, Angela told me she was tak-

ing me on vacation for the weekend.

I didn't really want to go, but Angela has this way about her that you can't really say no to when she decides something. It's even more irritating because she's usually right. So, I agreed.

She wouldn't tell me where she was taking us, just told me to get in the car and she started driving. We got out of town and up into the mountains, and I watched as the huge pine forests drifted steadily by. Eventually, she pulled to a stop at an old cabin. "Just trust me," she said when she saw my look as I pulled myself out and lugged the bags up to the door.

Once inside, I had to admit, the place was nice. It had a rustic look, a living area, and a raised bedroom and bath, complete with a hot tub. After giving myself the tour, I came to the only obvious question I could ask; what we were supposed to do out here. She pulled a game system out of one of the bags and held it up, saying movie and game weekend. She really did know me so well.

I jumped over the back of the sofa, managing to catch the controller she tossed at me while she went to hook everything up. We got it going, but within 10 minutes, the network shut down, leaving us with no internet.

I felt even worse than before and was about to suggest leaving when she reminded me of the hot tub. It wasn't much, but at least I'd be able to relax for a while. It wouldn't be our first time in a hot tub

*an insatiable appetite, I have been dreaming, literally about them for the last couple months. I like nice looking girls with nice bodies, especially their boobs. Boobs are the aesthetic in a woman that transcends nature.*

*Without spreading legs, women's pussies look pretty much the same, especially with a full tuft of hair. They do have a little personality when shaven, but boobs, boobs are so very individual. I think every woman's boobs are so very different.*

*These two beauti-*

together, so I shrugged it off, stripping down to my boxers as I got in the water. She followed, wearing a black lace bra and panties.

We had been so comfortable with one another for so long that I didn't really think much of it. She managed to get me talking, and eventually, finally getting me to laugh again when I fished her bra out from the water.

Except, when I looked back and saw her with the tips of her nipples rising just above the bubbling water, I realized she wasn't laughing. Angela had always been an attractive girl and woman, lean and tanned, with long dark hair and a smooth body that got her dates almost as regularly as me. But I had never seen her in this way, and yet, the look in her eyes showed it was no accident. And a moment later, I felt her feet drifting up my leg towards my crotch.

I froze for a moment, not really able to say anything. She waited for my reaction, and finally, I slid my own foot toward her crotch, realizing immediately that her panties were also somewhere in the water.

She didn't need them anymore. As soon as I touched, she moved, flipping forward and diving under the water. A second later, my rapidly hardening cock was poking out of my boxers and was halfway down her throat. I screamed out, throwing my head

back and thrusting my cock in Angela's mouth. She was like a goddess, amazing in how long she stayed underwater, and miraculous in how she made me feel while she was down there.

When she came up for air, her arms were wrapped around me, pulling our bodies in close together and lowering her warm crotch down on my throbbing dick. She made out with me as she pulled us back to the other side of the hot tub, her eyes begging for what her mouth still couldn't ask. I slid up and slowly started to slide deep in and all the way out, feeling the full length of each stroke. She leaned her head back, gasping with each movement. I realized we were shaking; in a way I hadn't been since my first time.

I thrust myself inside and wrapped my arms around her, and her legs around me as I slowly stood up, pulling her out of the tub and, still dripping wet, carried her out to the bed. I picked up my pace, and I could feel the joy, even the years of frustration, coming out with each of her screams. She kept driving me and I finally let loose a long load, feeling a bond that I had never really understood, but knew I wanted to keep. As we lay there, exhausted, happy, and intertwined, it was enough that we had the weekend to get to know each other on an even more intimate basis.

# NAKED THRILLS

**She had on a coat but left the rest of her clothes at home**

I had just spent three nights frigging myself to sleep. Once by vibrator, once by hand. And I needed something totally different. For the first time I used a double-headed dildo.

Lance called on a Friday afternoon and said we would be going out as soon as his plane landed. Strange; he never got in until 10 pm. Rather late. He told me not to dress, and then he laughed and said he had a surprise...

After 10 years of marriage everything can become so routine; so boring. For us, sex became just a habit.

I knew Lance screwed around on his weeklong business trips. I mean, he was only 28 and I understood that he could use a little strange pussy. Maybe that's normal, I thought. We married right after high school and had no kids. What I thought I had overlooked was the fact I was only 28 and in my sex appetite prime.

Maybe we needed a little spark for our sex life; we had both discussed this in the past. Now Lance thought he had an answer. "I read this book about couples trying new and crazy things and I've had a fuckin' hard-on all week thinking about what we could do. He wanted us to go out bar-hopping, and I would wear nothing but my high

heels and light blue fall coat—and nothing else!

At first I was shocked. Then I became nervous. Then the excitement swept over me and we both were laughing. Lance began to help me undress.

"At least let me wear some underwear. My black bikinis," I pleaded.

"No, nothing; I'll tell you why later." As we rarely went out, especially to bars, I had no idea where we were going. And I didn't know where to stop either. I do know my coat was buttoned right to the top, and I was grateful it was long enough to cover my knees.

Lance stopped for gas. "When the kid cleans the windshield I want you to flash him. Unbutton your coat."

"L can't do that," I pleaded.

"Come one, give the kid a thrill. Show him those huge tits. We never go to this station," he begged.

I don't know why, but I started unbuttoning my coat and had it all open when Lance asked the young attendant to clean the windshield. He soped up the glass and then wiped it clean.

***Then I let it happen. I gave a stretch yawn and the blue coat fell away to expose all of me. He saw it; he saw me! I must admit, it gave me a thrill and made my pussy very, very wet.***

BLAIR-NTS-09

Then I let it happen. I gave a stretch yawn and the blue coat fell away to expose all of me. He saw it; he saw me! I must admit, it gave me a thrill and made my pussy very, very wet.

We hit our first bar. By then I was ready for Lance to take me in the car—on the sidewalk if he so wanted. I pulled my ass high walking to the entrance. Lance patted my behind; he was into this.

We sat at a table and ordered drinks. I was petrified someone would discover I was naked. Lance kept teasing me with his hands on my thighs. He knew I was too nervous to dance, although the place was ideal—dark and noisy and crowded.

Lance left me alone and went to the men's room, and I just knew someone would hit on me for a dance. One guy sitting at the bar kept catching my eye. He wasn't bad-looking, but Lance returned before anything happened.

"Lance, take me home and fuck me." He hadn't heard that for a while. It was almost a great comeback for our sex life. What happened was Lance was so fucking excited he couldn't control himself and came much too soon.

When he left on Monday for another weeklong trip I knew I was going to go out alone, wearing nothing under my coat. I was alive all weekend thinking about what might happen...

I went to the same bar late Monday night, and this time I sat at the bar. Within minutes a hot-looking young guy barely old enough to drink asked for a dance.

It didn't take him long to sense that I was wearing nothing under the coat. I could feel his response and just like that we headed for his apartment. Looking back, I admit I never hesitated even one second at the prospect of having a strang-

er fuck me.

In his apartment, while we were both still trying to be cool, I turned to the young stud and threw my arms around him. He was everything I considered desirable in a guy, and I hoped that someday I might meet a slightly older version. The feel of him in my arms made me dizzy for a moment. I wanted to hold him there forever, to press him against myself so tight that he became a part of me.

He talked, and my breath was warm against his throat. My large tits were pressing against his chest so firmly, so thrillingly. His hands were sliding down my back to nestle against the cheeks of my ass. He was beginning to tremble ever so slightly.

I marveled at how strong he felt. His arms were so comforting. The length of his legs locked against my own felt so masculine and the touch of his hands thrilled me. Something warm was building between his legs, and something hard was pressing, pulsing, against my belly, low down against my belly.

I wanted this stranger... I wanted to feel him deep in me, pumping into my body, filling me with his hot cum.

He could feel it too. He could feel my desire for him mounting, and his own mounted with it. His hands continued their stroking motions, massaging my tender ass flesh. His hips began to rotate slowly, grinding his bulging cock into me. Our lips met and locked, tongues intertwined.

My hands on his back began to move up the sides of his chest and down them, down past his waist, creeping between our pressed together bodies, feeling for the bulge that pressed so deliciously against me. Finally finding it.

Suddenly my fingers were searching for his zipper and opening it, sliding inside his pants to find and tenderly stroke the sweet bulge that grew and hardened even more in my hand. Then I was easing it out of his pants, caressing it more strongly, even as his fingers were fumbling with the fastenings on his clothes.

My knees were trembling, buckling beneath my weight and I was slipping to my knees so that, for a moment, his cock was resting against my cheek. Then my head was turning and my lips were against it, parting, opening, receiving his dick in my mouth.

I had never sucked another dude's dick before. I had dated other guys before Lance, and even been intimate with several of them, but never oral sex. I had stroked one guy's cock and been fucked by him, but the thought of sucking him had frightened me for some reason. The thought back then of a cock in my mouth had been just too much.

But I found this cock too exciting and there was nothing revolting about it whatsoever. My head dipped forward and I took almost the entire length of him in. My tongue sought as much of him as I could reach. My lips gripped him greedily and the feel of his hands on

my naked tits only thrilled me more.

I worked him slowly at first with my mouth, then faster and faster. His hips began to move in time with the sucking motions of my mouth and then he started coming, filling my mouth with his rich, musky essence. I closed my eyes and lovingly swallowed every drop.

But my own needs were stronger now, and he could sense them almost as though my body was his own. It was. Oh, it was. He helped me to my feet so that he could reach inside me. His mouth was on my tits, sucking them in, teasing my nipples which hard against his tongue. Then he, in turn, was sinking to his knees and his face pressed against my aching cunt, seeking out the secrets of my cunt.

Through the folds of woman flesh his tongue sought me out, parting my lower lips and creeping within. His tongue tip sought and found my clit and touched that sensitive flesh. My hips thrust forward and my thighs parted to give him the best access. I loved to spread my thighs and spread them really wide. He was lapping greedily away, feeling my response in his arms.

He was eating at my clit, sucking on it, holding it lightly between his teeth while his tongue tip rubbed it. Then I started spasming and pressed my cunt hard against his face, holding his head there with all the strength of my arms.

The spasms slowly faded away and he got to his feet, still holding me as tight as he could. Our hearts were beating together and once more our mouths were locked together. Then he forced his leg between my legs, spreading them. My hand was creeping down to take his cock and I was raising one leg to open my cunt, guiding his cock into the opening.

covered from the workout it had been through. But under the tender ministrations of my hungry lips and tongue, it soon recovered.

Soon his cock was filling my mouth completely again, and it was time to put it to still better use. My legs parted naturally as he prepared to enter me, and my hand guided his cock swiftly to the spot. Then my legs were holding him fast, ankles locked in the small of his back.

He took much longer to come that time and the pumping motion of his cock, filling me completely, seemed to go on eternally. His shaft was rubbing hard against my clit when I arched my hips up to meet

him and the head of his cock battered against my cervix almost painfully.

My fingers were almost digging grooves in his back before my spasms began to relax, and he began building toward his own orgasm. But before he could come, he eased his cock from my cunt and rolled me over on my side, then back again on top of him. He wanted to fuck me in every way possible. Sensing his needs, I straddled him and lowered myself upon his cock.

Fucking in that position, he could take the weight of my upper body on his hands, holding my warm tits while my nipples swelled against his palms. He rubbed them softly, gently, as we fucked, teasing me to even greater heights of pleasure.

He fucked me like I was the last woman on earth. My hips were rocking more strongly as another orgasm approached. We came together and the ecstasy of the moment was so intense that we both fainted for a moment.

The next day I took my coat to the cleaners, preparing myself for another night of fucking.

It was a bit awkward, fucking standing up, but soon his cock was nestled deep inside me and his hips were beginning to move. Our bodies pressed together as we rutted like two healthy beasts, two prime animals lost in lust. His hands were on my ass, my arms around him. We swayed back and forth, almost toppling. But we did manage to keep our feet as the tempo increased.

I remember moaning, gasping breath as the spasms of my orgasm shook my body. Then he too was stiffening. His cock thrust in even deeper, his balls were tightening. Jet after scalding jet of thick cum spurted and filled me. Trembling in release, we sank to the floor together.

For a long time we rested, gathering strength, and still needing more. Then, as strength returned, our hands and mouths once again found each other's bodies. He was face-deep in my pussy, mouth buried in it. Cunt juices covered his face as he nuzzled in ever deeper, lapping away at the thick, creamy product of my pussy.

At the same time I was sucking hard at his cock, which had not yet fully re-

It's that time again folks. The time where international love abounds. A time for us to cum together and share what makes each of us special. A time for boob men and ass men to put aside their differences to appreciate the beauty of track, field and orgies. Truly a wonderful sight.
